### PACKAGES

There are two different packages available. Both packages includes: a screen, wireless microphones, sound system and standard IT/organisational support.

- Standard Package:** 950€
- Premium Package:** 1,100€  
Includes a 10% discount on a full-page advertisement in the Exhibition Directory & Buyers' Guide and an opportunity of placement of advertisement (must provide) in the delegate bags.

Your participation at the Exceptional Energy Stage is promoted during the event in the various brochures, on the event website, throughout newsletters and on the event app. During the event, announcements take place in the exhibition space, notifications are sent on the event app as well as elaborated signage to find the dedicated space. The organisers will actively promote the Exceptional Energy Stage, both in the lead-up to the event and during the event, they cannot, however, guarantee an audience for your presentation and we strongly recommend you invite potential clients and customers to be there!
