

A Platinum Perspective

Exclusive Interview with Tucker Perkins, President, PERC
Platinum Sponsor of the 31st World LPG Forum

1. The Forum Voice: Thank you for taking the time to talk to The Forum Voice. Could you tell us what made you decide to become a platinum sponsor of this year's World LPG Forum?

With the WLPGA coming to Houston, there was a natural fit to sponsor at the Platinum level. We want everyone involved in the LPG industry worldwide, especially our propane marketers in the US, to know that PERC is involved and supportive of this Forum.

2. The Forum Voice: What are your thoughts on the key opportunities for LPG/propane in the US and the region?

The key opportunity is to capitalise on the growing supply by innovating in applications for residential, commercial, and agricultural uses. Propane offers incredible convenience, power, economics, and environmental benefits to the users, and we see great opportunity for traditional markets like residential and new markets like fleet power and power generation.

3. The Forum Voice: Why, according to you, should delegates attend this year's Forum?

For attendees from around the world, this Forum represents a great chance to see how propane is being used in the US, and offers PERC a chance to show some exciting developments in technology and marketing. For US marketers, it represents an opportunity to see first-hand the importance of propane around the world - and how propane is used in unique ways - some that literally change people's lives. I am keenly aware that attending previous Forums has changed my view of the propane industry and the profound benefits it brings to its users. I would hope my colleagues in the US get a chance to see that too.

4. The Forum Voice: What are you most looking forward to during the Forum in Houston?

I love to see old friends and meet new people interested in this industry. The traditional gala dinner is one of the highlights of the week and this year will be even more special. I look forward to meeting you all during 'A Texan Night Out' where you can experience Texas like a Texan.
